

## **Thoughts to Share when Calling the church to Give their Offerings**

We believe everything we have in life is a gift from God. Now is the time we worship Him by giving back a portion of what He has given us to support the work of this church and share God's love with the world.

We could never repay God for all He has given us. But now we can show our gratitude and obedience to Him in giving tithes and offerings to advance His Kingdom.

We are invited to partner with God in extending His Kingdom and building His Church. One way we do that is by giving money. We now invite you to give your tithes and offerings as an expression of your partnership with the Lord and this church.

One way of showing you trust in God and not money is giving a portion to His work regularly. Now is the time in our service we worship God by giving - for the glory of His Name and the declaration of our trust in Him alone.

Moses invited Israel to give to build the ancient Tabernacle. There the glory of God appeared, and sin was dealt with. In this church today we ask you to give money that the glory of God would be seen in all the earth and more people will know their sins can be forgiven through Jesus Christ.

THOUGHT – We don't ask the unbeliever in our midst to not sing the songs or not listen to the sermon! Whoever is there makes a choice to attend, and a choice of how much they will participate.
